Night Rating

The Night Rating is the ideal new challenge after obtaining your Private Pilot License as it extends your basic privileges to carry passengers at night, and also it is a prerequisite should you wish to proceed for the Professional Pilot License.

DURATION	3 days
ENTRY REQUIREMENTS	10 hours of solo flight 35 hours of dual flight
TRAINING / EXAMINATIONS	5 hours night flying 3 hours of dual flight 1 hour of navigation 1 hour of night circuits as PIC (5 take-offs and 5 fullstop landings)
